Traditional Tibetan Medicine Past and Present

Dr. Tsultrim Kalsang is a well reputed
research doctor at the Materia Medica Department
of the Tibetan Medical and Astrological Institute
(Men-Tsee-Khang).

In 1993 and 1996 he did research in cooperation
with the Institute of Pharmacognosy of the
University of Vienna.

The Tibetan medical system looks back upon a long history and gains more and more international recognition through its holistic approach on the entire human organism. Dr. Tsultrim Kalsang will focus on the past and present of the traditional Tibetan medicine.
