An Unpublished Commentary on the *Ratnatrayaparīkṣā* by the Saiddhāntika Master Śrīkaṅṭhasūri

The multi-text manuscript Orlas P 269 kept in the Oriental Library of Mysore contains an unpublished anonymous commentary on the *Ratnatrayaparīkṣā* by the Saiddhāntika master Śrīkaṅṭhasūri. After a brief description of the manuscript and its content, the lecture will focus on some topics dealt with in the commentary, in particular the criticism of other Śaiva (*advaita*) points of view and some philosophical arguments connected with the arising of determined knowledge.
